Snack Procedures in Mrs. Bailey's Class:

In our class this year, each student will be responsible for providing snack once a month for our class. There are 18 students in our class.

I would ask that these snacks be individually wrapped and

peanut/tree nut free! This is not only for the safety of the students, but I am also allergic to peanuts and tree nuts and would like to refrain from handling it. 😊

Additionally, I intend to have your student have their snack day on (or as close to) their birthday/half birthday as possible. This way, we can celebrate with their special treat on their special day!

Below you will find our class's snack schedule!
